October Announcements

The Annual SCDXC October “Anchors Away” is Here

The annual SCDXC auction will take place at the October meeting. Here's all you need to know to be a seller and/or buyer.

Sellers: Please try to send me an e-mail at least three days before the auction with a listing of the items you wish to sell. All items must be amateur radio related. DO NOT bring other items – we won't auction them. The list should include the name of the item, whether you wish to set a reserve price, and whether you wish to make the item a club donation (100% of the sale proceeds to the club) or a regular sale item (10% to the club). Finally, be sure to include your callsign. If you don't send me the information in advance, you'll have to fill out an auction slip at the club meeting with this information for every item you wish to sell. This delays the start of the auction, so I'd encourage you to send me the information in advance. E-mail it to me at k6jw@scdxc.org.

A note to buyers: I have to say this every year. We do NOT use bid numbers. When you cast the winning bid, we record it by your callsign (preferred) or your name.

At the conclusion of the auction, buyers will be taken care of first so that we have the cash to pay the sellers. The closeout process usually takes no more than half an hour if everyone pays attention to what's going on and doesn't pester the cashiers.

Finally, the auction is CASH ONLY. No credit cards. No checks. Cash is the only way we can pay the sellers and they MUST be paid. So, bring lots of money and be ready to have fun.

2020 International DX Convention

IDXC Logo Contest Deadline is Dec 7th: You can win a free registration to the 2020 International DX Convention. See www.scdxc.org/idxc_logo.html for all the details for the 2020 IDXC Logo Design Contest.

We want to thank everyone who came to the September 21st meeting. It was a tremendous success. Things are moving very fast and very positively!

The co-chairs have firmed up the commitment with the Wyndham hotel. Doug, W6HB has taken on the tasks of Vendor and Prize chair. He is already pulling in great vendors with great prizes. Bill, N6RV has started collecting presenters and has begun on the convention booklet. Terry, K9TAD, has jumped in with both feet on the A/V. He will be surveying the site and moving ahead with the equipment plan and layout. Marilyn, KJ6YL, is on top of the Saturday Tour with bus reservations and tour plans. We could go on with all the early successes but it would fill the whole page! Thanks to everyone for your hard work!

Regardless of the success so far there is still room for more volunteers. The more the merrier. Next meeting will be **November 9th, 10AM at WEMS, Inc.**, 4650 West Rosecrans Avenue, Hawthorne, CA 90250.

Hello DXers!

Our October meeting is Anchors Away, we always have a good time watching the antics of our club members. Bring your radio gear, you may have some treasure that is just what someone else would like to have. Please email Jeff Wolf k6jw@scdxc.org with your items before the meeting on October 10th, that way he will be prepared before the auction. Let's have a great turnout for this evening of fun.

The 2020 International DX Convention second meeting on Saturday, Sept. 21st., the next meeting will be Saturday, November at 10:00 am. The meeting will be held at WEMS, Inc., 4650 West Rosecrans Avenue, Hawthorne, CA 90250. We are so pleased that many of our members have already volunteered to help, as well as the San Diego DX Club and the Great Salt Lake Contest Club. We are still looking for more members to volunteer.

Mark your calendars, our annual Holiday Party will be on December 15th at the Reef Restaurant in Long Beach from 11:00 am to 3:00 pm. The cost per person will be \$50.00. The Sunday Brunch at the Reef is excellent. More information to follow.

Please be sure to join us on Thursday, October 10th at 7:00 pm. Remember, we get together for dinner at the Sizzler Restaurant, 17544 Hawthorne Blvd., Torrance, CA 90504. The Sizzler is just a short distance from WEMS. See you there! Best of 73!

The VPs Corner

Scott Orr, W6MKO

Well, again another month has flown by, where does the time go? I know I don't have the tower some of you have but I have been listen to all the bands and I don't hear much. It seems a lot traffic is on the FT8 frequencies and they are busy during different parts of the day. For some of us, that is all the DXing available to us.

Remember this month is Anchors Aweigh, so bring that serviceable equipment and maybe someone will take it off your hands.

Also, the holiday party registration should be available soon, if it isn't already up and running. It is at the REEF restaurant (Same as last year) on December 15, 2019 and is \$50 per person.

I'm still working on a presentation for November, if anyone has a suggestion please let me know.

Keep up the DXing!

One of the most active DX stations on the air today is Johannes Hafkenscheid, 5T5PA. Johan lives in Nouadhibou, Mauritania and can be found almost anytime day or night of various modes.

As you can see he is well equipped with antennas and towers. He is capable of SO2R in the contests and therefore operate more than one band simultaneously and possibly listen to many more.

Hopefully Johan will provide us with an article in the near future!

Dx for October

DX Standings

Brad, WB6TJI added Kosovo to his DXCC count bringing it up to 355/338. It is always hard to snag those last few!

Bill, WA5VGI, updated his WAZ standings. He now has 364 / 200. With 60 meters he adds 20 more!

Jerry, K6QU picked up several band slots. Way to go Jerry! Good to see you chasing the DX.

Bill, N6WS, added another zone on 160 when he received his Greenland card OX). There is little left for our senior Associate Member to work!

Send any updates to:

September was a hopping month! We saw member counts jump up significantly.

Club members added 4 new entities to the club count, 7Q, C2, T30, YA. It should be noted that no member in Southern California has yet worked Afghanistan. Our member in Sweden is the only one that has. Our leader, N6WT, Kent added 1 more to his count. He has been on vacation and missed all the four that the club has picked up. Not to worry though. With the exception of Nauru, C2, Kent will have opportunities this year to work them and 7Q6M is still lurking!

ClubLog leaders increased their count by 1, 7Q. That moves SCDXC members to three closer to all that ClubLog has worked.

SCDXC leaders have increased their slot standings as well. The top two are at 810 slots. John, N6QQ, has moved up 19 slots and Bill, N6WS matched John's total moving up 26 slots. Bill, N6WS, has also picked 4 more on 160 meters making his total 58 for the year. For some that is more than they have done in their lifetime!

It all shows to go you... There is plenty of DX on the air and you can work them if you turn on your radio!

W9DXCC (N6HC)

Arnie sent some pictures of the W9DXCC convention with a lot of familiar faces (and Call signs!). Perhaps a little article on this convention is in order or maybe a report from Arnie in November.

Limericks and Manuscripts (K6SY)

When putting out the call for input to this month's newsletter the editor humorously requested limericks and manuscripts from the usual contributors. Mel, K6SY, provided these two limericks for our enjoyment!

*There once was a ham named Bower
Who ran way more than "legal power".
His friends thought him a braggart and bore.
Until the FCC came to his door.
Now he no longer needs his amplifier, radio or tower*

de k6sy 9/24/2019

*Sam was a ham who loved Morse code.
It was clearly his very favorite mode.
Friends told him about FT8.
Very next day he took the bait.
Code is no longer his favorite mode.*

My Beautiful World is Melting!

Eeyore predicts the peak will be in 2023 to 2026 and it will be 105 very tiny sunspots! Maybe it is time to sell our gear and buy stock in warm clothing companies!

Both Numbers are Flat Flat Flat!!!

The first three days of the month had sunspots (14, 14, 7) then nothing but a bunch of zeros. Furthermore, the SFI has dropped to an average of 62.2 for the month! That is 3 points lower than last month and 7 points lower than the year to date average! To think that it couldn't get any worse?
